NOTICE TO RESIDENTS

Please review the excerpt from the snow clearing regulations sighted below. Residents and Businesses are reminded not to park in the street or the street reservation so as to impede snow clearing efforts, and to refrain from snow blowing or plowing snow into and/or across the Town roads. In some areas, this has resulted in a mound of snow protruding into the street which interferes with snow clearing.

Note that the road reservation extends beyond the pavement and is at least 15 feet from the center of the road and 30 feet from the center of a cul de sac. This space is needed for snow clearing and for snow accumulation during the winter months.

No cars should be parked in the reservation, including any portion of a driveway that is in the street reservation.

The Town appreciates your cooperation in ensuring efficient snow clearing operations this winter.

EXCERPT

Town of South River Snow-clearing Regulations

2. No person shall, at any time, park any vehicle on any street or street reservation in such a manner as to interfere with, hinder or obstruct snow clearing or ice control operations or the normal safe flow of traffic.
3. Any unattended vehicle parked on any street reservation within the Municipality in contravention of these regulations may be removed and impounded by the Council and the cost of such removal and impounding may be recovered from the owner as a civil debt.
4. No person shall push or plough snow onto the street reservation within the Municipality.
