DETAILS OF LAND AND LOCATION OF BUILDING(S)

**IMPORTANT
PLEASE READ AND SIGN**

I am aware that this form is for application purpose only and that anyone who starts any development before receiving written permission to do so from The Town of South River may be subject to a Stop Work Order and Prosecution under Section 34 of the Town of South River Development Regulations. Only the kind of development described on this application form is to be undertaken and only at the site indicated. If I wish to use the site for any other purpose, I am aware that another application must first be submitted. If the land to which this application pertains is Crown Land, or land that I am not the sole owner of, I am aware that approval of this application by the Town does not mean that I can develop without also obtaining permission from the Department of Environment and Lands or other land owners. **I am aware that I am responsible for obtaining any permits from other government departments or for referring this proposal for review to particular government departments or agencies that the Town may inform me of; and that I am responsible for providing responses from such referrals to the Town.** I am aware that the Town will not grant permission to develop if this proposal does not comply with the policies or its Municipal Plan; requirements of its Development Regulations or other requirements of other levels of government. If permission is granted, all applicable federal, provincial and municipal requirements and regulations will be conformed to. No information that could affect a decision to approve or refuse this application has been deliberately withheld or purposely submitted incorrectly by me.

PERMIT INSTRUCTIONS

- A. General Repair Permits fall under Section 407 of the *Municipalities Act, 1999*. All other permits fall under Section 404 of the same act.
- B. **Permits are to be prominently displayed at the site** if possible.
- C. Persons to whom the permit is issued are responsible for cleaning up debris after work is completed. Failure to do so will result in council cleaning up the site and the person to whom the permit was issued will be billed for same as per town regulations. Any construction or renovations garbage is to be removed from property at owner's expense.
- D. Municipal Water and Sewer installations must follow the Master Specifications for Municipal Water, Sewer and Roads. No person shall interfere with underground water and sewer lines without council's approval. If the site requires well and/or septic systems, a Certificate of Approval is required from the government of Newfoundland before a building permit will be issued.
- E. The total of all accessory buildings associated with a residential use shall have a lot coverage of no greater than 7%, up to a maximum of 125m².
- F. No accessory building shall have a height of more than 4m, unless approved by Council.
- G. Building permits are issued conditional on compliance with the National Building Code of Canada and The Town of South River Development Regulations and are the responsibility of the contractor or builder. You are hereby informed that it is your responsibility to ensure compliance as the council of South River will not be undertaking inspections.
- H. You could be liable for injuries, costs and lost income if someone is injured at your worksite.
- H. No person shall erect a fence:
 - a. Within twenty (20) feet of the center line of any main road within The Town.
 - b. Within fifteen (15) feet of the center line of any secondary road within The Town
 - c. Closer to the road than the property line.
