

The Provincial Fire Ban remains in place until September 7th

NO OPEN FIRES!

Fines for violating the ban range between \$50,000 and \$150,000!

As the hot and dry weather persists, the risk of a major fire increase and the resources for firefighting are already stretched thin.

Please do your part to keep our community safe!

For more information regarding the fire ban, contact your local Forest Management District Office: <https://www.gov.nl.ca/ffa/departement/contact-forestry/#District>

The provincial fire hazard index map is updated daily on the Department of Fisheries, Forestry and Agriculture website: <https://www.gov.nl.ca/ffa/public-education/forestry/forest-fires/fire-hazard-map/>

The latest information on the location, status, and size of active wildfires is available on the NL Active Wildfire Dashboard:
<https://experience.arcgis.com/experience/df3fede0d65b47fba974e442f91989d2>

To report a wildfire, call: 1-866-709-FIRE (3473).
