

☀️ **South River Youth Spotlight:**  
**Celebrating the young people who make our community shine**

The Town of South River is proud to launch a new initiative designed to celebrate the incredible accomplishments, talents, and contributions of our young people. Every day, youth in our community are learning, leading, creating, volunteering, competing, and showing kindness in ways that deserve to be recognized — and we want to share their stories.

Through the **South River Youth Spotlight**, we will regularly feature local youth on our social media platforms, highlighting their achievements in academics, sports, arts, leadership, community service, personal growth, and more. Whether big or small, every accomplishment matters, and every young person deserves to feel seen and celebrated.

This initiative is about more than recognition — it's about building confidence, strengthening community pride, and showing our youth that South River is cheering them on. We invite parents, caregivers, teachers, coaches, neighbours, and youth themselves to submit nominations so we can shine a light on the amazing young people who make our town such a vibrant place to live.

Let's lift up our youth together and celebrate the next generation of leaders, creators, and changemakers.

You can access the Application Form by using the link below, scanning the QR Code or sending an email to [recreation@townofsouthriver.ca](mailto:recreation@townofsouthriver.ca)!
