

Request for Quotation

Taylor's Road Paving 2026

The Town of South River is currently accepting quotes to pave a gravel portion of Taylor's Road:

230 feet long x 15 feet wide (North east section)

Scope of Work: To scarify and reshape road, prepare class "A" granular base, top with a minimum of 40mm layer of new asphalt, and shoulder with class "A" as required. Complete ditching and/or install swale where necessary. The bid price will include all labour and materials required to complete the job, including removing any debris from the site.

All work to follow Department of Transportation Master Specifications.

Bidders must provide evidence that they have the necessary skills, equipment, and experience to complete the work upon request.

Pre-Condition of Award

Certificate of Insurance - \$1,000,000 general liability

Clearance Letter - Worker's Compensation

Bidders are encouraged to arrange a site visit to verify volume of work.
