

HYDRANT FLUSHING

The Town of South River will be
conducting hydrant flushing
Tuesday June 23 to Thursday June 25, 2026.

- During this time some discoloration and reduction in water pressure may occur.
- Residents may have to run their water for a period of time after flushing in your area has ended to remove any dirt that may have entered the service lines.

This is not a Boil Order

The Town apologize for any inconvenience this may cause.
